## Product Description

### KEEWO Zebra Roller Motorized Blinds Shades Windows Curtain Drape Dual Layer Sheer Or Privacy

This is blue zebra blind, Light Filtering Zebra Sheer Shades are also known as transitional shades. They offer both sheer and light filtering fabrics in the same shade, creating a zebra-like pattern. While raising them like traditional shades, you have the option to align the front and back segments for privacy or to allow some light to filter through. During the daytime, leave the shades open and gain an incredible view through the sheer vanes, or close them partially to shield your family and home from harmful UV rays and intense light. At night, shut them entirely for the privacy that you require.

### Why Choose Zebra Sheer Shades?

Sheer Shades make a perfect addition to any room. Here's why:

- \* Zebra Sheer Horizontal Shades feature both light-filtering and room-darkening fabrics. These dual-layered Sheer fabrics overlap

and alternate to ensure adequate darkening and privacy while letting natural light in whenever you want it.

- \* Clean and contemporary in style, these sheer shades have 2 3/4" to 4 1/8" of semi-opaque fabrics and 2 to 2 3/4" of woven sheer

fabric vanes.

- \* For bedrooms or media rooms, select the room darkening fabric color option, where 4 1/8" Room Darkening color vanes and 2 5/8"

sheer fabric vanes alternate to ensure maximum privacy.

- \* Alternatively, don't lose sight of the outdoors with the shade's sheer fabrics, which let you view outside or let in more light when needed.

- \* Made from durable and firm polyester, these window coverings are easy to maintain and operate.

- \* Customize the metal chain to your precise needs. Keep the cords out of reach to make it child safe.

- \* Light Gap: The Fabric Width is narrower than the Finished Shade Width of the tube and its components or Cassette Valance. The

fabric will be 1 1/2 to 1 5/8th inch narrower than the shade /cassette valance width.

- \* Zebra Sheer Shades give you the privacy you want with the light filtering, modern look you love. Explore our range of colored

textures, available with free fabric samples and enjoy free shipping on your order!

The size of the solid and sheer vanes varies depending on the fabric chosen. The sizes are follows:

- \* Madera Ivory - 3 7/8" Solid Vane, 2 3/4" Sheer Vane

- \* Madera Chocolate - 4" Solid Vane, 2 5/8" Sheer Vane

- \* Rolex Grey - 2 7/8" Solid Vane, 2" Sheer Vane

- \* RD/BO fabrics - 4 1/8" Solid Vane, 2 5/8" Sheer Vane

- \* Regular Light Filtering Fabrics (Beige, Gray, Ivory, Natural, Black, Chocolate) - 2 15/16" Solid Vane, 2" Sheer Vane

### \*Light Filtering & Room Darkening Sheer Shade Features

- \* Zebra incorporates dual layers of alternating 2 3/4" to 4 1/8" semi-opaque and 2" to 2 3/4" sheer woven fabric vanes.

- \* Zebra Sheer Shades are available to widths and heights of 94" to provide visual elegance to wide windows and doors.

- \* Striped fabric across two layers creates an open/close effect, to control light and privacy

- \* Offered as Light Filtering or Room Darkening

- \* 4 Room Darkening colors available

- \* 10 light filtering colors available

\* Continuous cord control or cordless control available

\* Aluminum head rail and bottom bar comes in a co-ordinated color (please see color co-ordination chart). The cordless lift is only available with a white cassette.

\* Easy to install - all hardware included
