Packing and Shipping:

Packaging and Shipping of Venetian Window Blinds

Venetian window blinds are packaged and shipped in a secure and safe manner to ensure their safe arrival. The blinds are tightly wrapped in plastic and placed in a cardboard box that is securely sealed. The box is padded with bubble wrap or foam to protect the blinds from any external impacts. The box is then secured with strong adhesive packing tape to ensure it stays closed. The box is then labeled with a shipping label that includes the customer's contact information and the delivery address.
